

RESOLUTION NO. 2019-R-22

A RESOLUTION AMENDING THE MAXIMUM NUMBER OF RESIDENTIAL BUILDING PERMIT ALLOCATIONS UNDER THE CARSON CITY GROWTH MANAGEMENT ORDINANCE FOR THE YEARS 2020 AND 2021 AND ESTIMATING THE MAXIMUM NUMBER OF RESIDENTIAL BUILDING PERMIT ALLOCATIONS FOR THE YEARS 2022 AND 2023; ESTABLISHING THE NUMBER OF RESIDENTIAL BUILDING PERMIT ALLOCATIONS AVAILABLE WITHIN THE DEVELOPMENT PROJECT AND GENERAL PROPERTY OWNER CATEGORIES; AND ESTABLISHING A MAXIMUM AVERAGE DAILY WATER USAGE FOR COMMERCIAL AND INDUSTRIAL BUILDING PERMITS AS A THRESHOLD FOR GROWTH MANAGEMENT COMMISSION REVIEW.

WHEREAS, Carson City Municipal Code Section 18.12 requires the Board of Supervisors of Carson City to establish a fixed number of residential building permit allocations on a two year rolling basis, to establish the number of residential building permit allocations available within the Development Project and General Property Owner categories, and to establish a maximum average daily water usage for commercial and industrial building permits as a threshold for Growth Management Commission review in order to manage growth within Carson City; and

WHEREAS, pursuant to Carson City Municipal Code Section 18.12 the Growth Management Commission met in a duly noticed public hearing on June 26, 2019, and recommended the maximum number of residential building permits to be made available for calendar years 2020 and 2021, and the Commission estimated the maximum number of residential building permits for calendar years 2022 and 2023; and

WHEREAS, the Board of Supervisors finds and declares pursuant to Carson City Municipal Code Section 18.12 that city water and wastewater treatment capacity, as well as other resources identified in Section 18.12.050(2), are essential resources that limit the available residential building permits authorized by this resolution; and

NOW, THEREFORE, the Board of Supervisors hereby resolves:

A. Beginning on the first city working day in January 2020, the Building Division shall make available a total of **679** residential Growth Management allocations for building permits. The 2019 year-end balance of unused allocations shall be voided and returned to the utility manager. The allocations for residential building permits shall be disbursed as follows:

1. For the general property owner category, a subtotal of **292** residential permits (43% of total residential building permit allocation). A property owner may apply for a maximum of 30 residential building permits in Period 1 (January through March 2020) subject to the availability of building permits.

2. For the development project category, a subtotal of **387** residential building permits (57% of total residential building permit allocation). Individual development projects qualified for inclusion on the project list shall be entitled to apply for

an equal share of building permits during Period 1 based on the number of qualified development projects that have applied to the Building Division for development project status as of the first City working day in January 2020. Where a development project has less lots or units than the total share of building permits allocated to it, the remaining building permits shall be distributed equally among the remaining development projects. Additional development projects may be added to the list during Period 1 and use any remaining building permits. If no additional permits are available in Period 1 in this category, development projects not on the list at the beginning of Period 1 may only apply for building permits from the general property owner category during Period 1 in accordance with the limitations set forth above and may be added to the development category anytime during Period 2 (April through June 2020).

3. Any residential building permits remaining from Period 1 shall be made available in Periods 2 (April through June) and 3 (July through December 2020) in accordance with Carson City Municipal Code Section 18.12.055.

B. Beginning on the first city working day in January 2021, the Building Division may upon Board of Supervisors' approval make available pursuant to Carson City Municipal Code Section 18.12 a maximum total of **699** residential building permits, assuming three percent growth occurs in 2020. The building permits shall be disbursed as follows:

1. For the general property owner category, a subtotal of **300** residential building permits may be made available. General property owners shall be entitled to apply for a maximum of 30 residential building permits in Period 1 subject to the availability of building permits.

2. For the development project category, a subtotal of **399** residential building permits may be made available. Development projects qualified for inclusion on the project list shall be entitled to apply for building permits in accordance with paragraph A(2), above.

3. Any building permits remaining from Period 1 shall be made available for Periods 2 and 3 in accordance with Carson City Municipal Code Section 18.12.

C. For calendar year 2022, it is estimated that the Board of Supervisors may make available a maximum of 720 residential building permits, assuming continued three percent growth.

D. For calendar year 2023, it is estimated that the Board of Supervisors may make available a maximum of 742 residential building permits, assuming continued three percent growth.

E. Pursuant to Carson City Municipal Code Section 18.12, prior to issuance of building permits, any commercial or industrial projects proposed in 2020 that exceed the threshold of **15,000** gallons per day water usage must have the Growth Management Commission's review and approval to assure water availability.

F. Any building permits made available by this resolution shall be subject to all

of the requirements of Carson City Municipal Code Chapter 18.12 (Carson City Growth Management Ordinance).

G. This resolution supersedes all prior resolutions establishing growth management allocations and shall have the full force and effect of law and be incorporated by this reference into Carson City Municipal Code Chapter 18.12.

Upon motion by Supervisor Stacey Giomi, seconded by Supervisor Brad Bonkowski, the foregoing Resolution was passed and adopted this 18<sup>th</sup> day of July, 2019 by the following vote:

AYES: Supervisor Stacey Giomi  
Supervisor Brad Bonkowski  
Supervisor Lori Bagwell
